Awesome! Thank you, Sarah. Appreciate it. PS: Any updates on inventory for Helen street? Green waste baskets? Just want to keep the constituent posted.

I will follow-up. We are now out of the wet weather season and it is time for them to start the systematic cleaning of the drains/channels/etc in the system.

Good afternoon, Sarah,

Happy Sunday! Hope you are doing well.

I just wanted to get a quick update if this location was on the list for clean up?

Looking forward to hearing from you.

Good evening, Sarah,

Happy Wednesday! Hope this email finds you well.

I have another location that is in need of clean up (storm drainage wise). A constituent reached out to share her concerns of it, and I was able to check the location out myself. The storm drain looks a bit worse than the one before; covered by sand and mud slides.

**Location: Right on the corner of La Tuna Canyon & Elben Street. (The constituent's address is (which might help locate the storm drain entering the street) is 9232 Elben Avenue.**

If we can get it cleaned, that would be great! Looking forward to hearing from you.

Much Gratitude,
